GREAT PUMPKIN HUNT

List of Pumpkins (in random order)

NOTE: Co-ordinates give are in degree, decimal minute format (N46*, xx.xxx')
If your device requires decimal degree format (N46.xxxxxx*), conversion will be needed.
Converters are available online.

- #1 Pocket Park Rocks!** N46* 28.750' W090* 02.995'
Gonna have to be sneaky here. Don't give it away, and re-hide it just as you found it!
- #2 Bluff Valley Park** N46* 29.167' W090* 03.255'
What broke up this dynamic duo? Wind? Lightning? Bugs?
- #3 Pine in a Parking Lot** N46* 28.848' W090* 02.978'
Think of what this tree has endured to become this big. Bravo, nature!
- #4 Wheres the Old Bakery?** N46* 28.787' W090* 03.037'
These days I tell Sally the previous owner that her cream filled bismarks kept me a plump and happy boy.
- #5 Top of Case St** N46* 28.653' W090* 02.930'
This concrete structure was a childhood rendezvous and fodder for imagination (underground lair, maybe?)
- #6 Mile 6.5** N46* 28.540' W090* 03.440'
All hail the king and queen Gregas (cheeky, no?)
- #7 Fuel for Your Life** N46* 28.843' W090*
02.783'
Does anyone remember the grain silos that used to be here, next to the train tracks?
- #8 1st Avenue Truss** N46* 28.613' W090* 03.318'
A nice place along the trail to rest and reflect on the past.
